"This conference made me more excited about my career and assisting other dispatchers in my center. I loved the networking and hearing stories from other ECCs across the nation. I have been dispatching for nearly 22 years and this conference re-energized me!" - APCO 2023 Attendee

"All of the presentations were very informative, giving me tools I can take back to my center and not only use myself, but share with others as well."

- APCO 2023 Attendee

"The keynote speakers always provide great information and ideas that are outside of the communications world but are presented in a way that the knowledge can easily be transferred to inside the communications world."

- APCO 2023 Attendee

ALWAYS KEEP LEARNING

In addition to the 10 professional development tracks, there are other learning opportunities that include two pre-conference courses, emergency communications center tours, Think Tank sessions and APCO business sessions.

DISCOVER THE MAGIC

APCO 2024 | August 4-7 | Orlando, Florida

"The City Beautiful" is host to this year's APCO Annual Conference & Expo, and we invite you to discover the magic that awaits at the undisputed premier event for public safety communications professionals. I encourage each of you to explore the treasure trove of opportunities that APCO 2024 and Orlando, FL, have to offer. Here, there is something for everyone!

If you wish to visit one of hundreds of lakes, be inspired by the beauty of the fifty swans that reside in Lake Eola, (which is technically an 80-foot sinkhole), travel around the world in three days at Epcot, or knock on Mickey and Minnie's door, then get your tennis shoes ready and your travel booked because this is the city for you!

APCO 2024 is proud to have over 120 education sessions specifically selected and geared toward all

levels of public safety professionals. You can also enjoy many networking opportunities throughout the conference, have fun at social events like the Block Party or New Attendee Reception, and seek out new and exciting products and services in the vast exhibit hall featuring over two hundred vendors.

Plan to get energized and motivated with words of encouragement from world renowned keynote speakers and return home refreshed and reinvigorated with innovative ideas, new friends, and maybe, if you're lucky, a new set of Mickey ears!

I look forward to discovering the magic of APCO 2024 with all of you!

Becky Neugent
APCO International President
